

3.5L FORD F-150 SERVICE SCHEDULE

3.5L Petrol

OIL SPECIFICATIONS

CASTROL OILS

ENGINE OIL = Castrol Edge 5W-30

COOLANT = Castrol Antifreeze-Antiboil

BRAKE FLUID = DOT4

DIFF OILS = Axel Limited Slip 75W-90

GEARBOX & TRANSFER CASE OILS = Castrol Syntrax Universal Plus 75W-90

AUTOMATIC TRANSMISSION = Castrol Transmax FE Multivehicle

STEERING FLUID = Dexron VI

10,000KM SERVICE

Replace engine oil and filter.
Replace sump plug washer.
Inspect air intake system.
Inspect & test coolant – Pressure test if low & report.
Inspect & report on drive belts.
Inspect & report on radiator hoses.
Inspect & spray battery terminals, check electrolyte & security.
Inspect for oil leaks/damage.
Inspect fuel system for damage/leaks.
Inspect brake fluid levels – top up if required.
Check all tyre pressures including the spare.
Inspect & grease steering & suspension components.
Inspect & report on underbody components.
Inspect & report on shields & under bonnet insulation.
Inspect driveline oils.
Inspect exhaust system for loose & damaged components.
Inspect & lubricate all door hinges & catches.
Inspect & report on interior trims.
Inspect & report on restraint system components.
Inspect & report on vehicle lights (interior & exterior).
Inspect & report on brake pads, disc and shoes.
Inspect & report on engine air filter – replace if required.
Inspect wiper blades – replace if necessary.
Fill windscreen washers and add additive
Check operation of horn.
Lubricate propeller shaft (4WD models)
Re-torque propeller shaft bolt.
Rotate tires.
Tighten nuts & bolts on chassis and body.
CHECK ANY OUTSTANDING TECHNICAL SERVICE BULLETINS, RECALLS AND CAMPAIGNS
Log books to be completed by service advisor.
Road test vehicle and report.

20,000KM SERVICE

Replace engine oil and filter.
Replace sump plug washer.
Replace Cabin filter
Inspect air intake system.
Inspect & test coolant – Pressure test if low & report.
Inspect & report on drive belts.
Inspect & report on radiator hoses.
Inspect & spray battery terminals, check electrolyte & security.
Inspect for oil leaks/damage.
Inspect fuel system for damage/leaks.
Inspect brake fluid levels – top up if required.
Check all tyre pressures including the spare.
Inspect & grease steering & suspension components.
Inspect & report on underbody components.
Inspect & report on shields & underhood insulation.
Inspect driveline oils.
Inspect exhaust system for loose & damaged components.
Inspect & lubricate all door hinges & catches.
Inspect & report on interior trims.
Inspect & report on restraint system components.
Inspect & report on vehicle lights (interior & exterior).
Inspect & report on brake pads, disc and shoes.
Inspect & report on engine air filter – replace if required.
Inspect wiper blades – replace if necessary.
Fill windscreen washers and add additive.
Check operation of horn.
Replace sump plug washer.
Inspect & report on radiator & condenser.
Lubricate propeller shaft (4WD models).
Re-torque propeller shaft bolt.
Tighten nuts & bolts on chassis and body.
CHECK ANY OUTSTANDING TECHNICAL SERVICE BULLETINS, RECALLS AND CAMPAIGNS
Log books to be completed by service advisor.
Road test vehicle and report.

30,000KM SERVICE

Replace engine oil and filter.
Replace sump plug washer.
Inspect air intake system.
Inspect & test coolant – Pressure test if low & report.
Inspect & report on drive belts.
Inspect & report on radiator hoses.
Inspect & spray battery terminals, check electrolyte & security.
Inspect for oil leaks/damage.
Inspect fuel system for damage/leaks.
Inspect brake fluid levels – top up if required.
Check all tyre pressures including the spare.
Inspect & grease steering & suspension components.
Inspect & report on underbody components.
Inspect & report on shields & under bonnet insulation.
Inspect driveline oils.
Inspect exhaust system for loose & damaged components.
Inspect & lubricate all door hinges & catches.
Inspect & report on interior trims.
Inspect & report on restraint system components.
Inspect & report on vehicle lights (interior & exterior).
Inspect & report on brake pads, disc and shoes.
Inspect & report on engine air filter – replace if required.
Inspect wiper blades – replace if necessary.
Replace sump plug washer.
Fill windscreen washers and add additive
Check operation of horn.
Lubricate propeller shaft (4WD models)
Re-torque propeller shaft bolt.
Rotate tires.
Tighten nuts & bolts on chassis and body.
CHECK ANY OUTSTANDING TECHNICAL SERVICE BULLETINS, RECALLS AND CAMPAIGNS
Log books to be completed by service advisor.
Road test vehicle and report.

40,000KM SERVICE

Replace engine oil and filter.
Replace sump plug washer.
Replace cabin filter
Replace transfer case oil
Replace automatic transmission fluid
Inspect air intake system.
Inspect & replace engine air filter
Inspect & test coolant – Pressure test if low & report.
Inspect & report on drive belts.
Inspect & report on radiator hoses.
Inspect & spray battery terminals, check electrolyte & security.
Inspect for oil leaks/damage.
Inspect fuel system for damage/leaks.
Check all tyre pressures including the spare.
Inspect & grease steering & suspension components.
Inspect & report on underbody components.
Inspect & report on shields & under bonnet insulation.
Inspect exhaust system for loose & damaged components.
Inspect & lubricate all door hinges & catches.
Inspect & report on interior trims.
Inspect & report on restraint system components.
Inspect & report on vehicle lights (interior & exterior).
Inspect & report on brake pads, disc and shoes.
Inspect wiper blades – replace if necessary.
Fill windscreen washers and add additive
Check operation of horn.
Replace automatic transmission fluid
Inspect & report on radiator & condenser.
Inspect & report on fuel tank cap gasket.
Lubricate propeller shaft & Re-Torque propeller shaft bolt (4WD models)
Inspect & report on brake lines and hoses.
Perform brake fluid flush
Inspect & report on drive shaft boots.
Tighten nuts & bolts on chassis and body.
CHECK ANY OUTSTANDING TECHNICAL SERVICE BULLETINS, RECALLS AND CAMPAIGNS
Log books to be completed by service advisor.
Road test vehicle and report

50,000KM SERVICE

Replace engine oil and filter.
Replace sump plug washer.
Inspect air intake system.
Inspect & test coolant – Pressure test if low & report.
Inspect & report on drive belts.
Inspect & report on radiator hoses.
Inspect & spray battery terminals, check electrolyte & security.
Inspect for oil leaks/damage.
Inspect fuel system for damage/leaks.
Inspect brake fluid levels – top up if required.
Check all tyre pressures including the spare.
Inspect & grease steering & suspension components.
Inspect & report on underbody components.
Inspect & report on shields & under bonnet insulation.
Inspect driveline oils.
Replace front and rear differential oils
Inspect exhaust system for loose & damaged components.
Inspect & lubricate all door hinges & catches.
Inspect & report on interior trims.
Inspect & report on restraint system components.
Inspect & report on vehicle lights (interior & exterior).
Inspect & report on brake pads, disc and shoes.
Inspect & report on engine air filter – replace if required.
Inspect wiper blades – replace if necessary.
Replace sump plug washer.
Fill windscreen washers and add additive
Check operation of horn.
Lubricate propeller shaft (4WD models)
Re-torque propeller shaft bolt.
Rotate tires.
Tighten nuts & bolts on chassis and body.
CHECK ANY OUTSTANDING TECHNICAL SERVICE BULLETINS, RECALLS AND CAMPAIGNS
Log books to be completed by service advisor.
Road test vehicle and report.

60,000KM SERVICE

Replace engine oil and filter.
Replace sump plug washer.
Replace Cabin filter
Inspect air intake system.
Inspect & test coolant – Pressure test if low & report.
Inspect & report on drive belts.
Inspect & report on radiator hoses.
Inspect & spray battery terminals, check electrolyte & security.
Inspect for oil leaks/damage.
Inspect fuel system for damage/leaks.
Inspect brake fluid levels – top up if required.
Check all tyre pressures including the spare.
Inspect & grease steering & suspension components.
Inspect & report on underbody components.
Inspect & report on shields & under bonnet insulation.
